DEAR BUSTER

EACH LETTER PRINTED WINS £2

Dear Buster,
I'm writing to ask if you sell back issues of Buster. If you do, how much are they?
BRENDAN McNULTY, PERTH.
...Sorry, no back issues are available. Buster is so popular, you have to make sure of your copy by placing a regular order!

Dear Buster,
I am from Barnes Junior School. We had to choose a topic for the term and I chose Buster Comic because it is so brill. So please could you answer these questions:
When did Buster start?
...May, 1960.
Where did you get the idea for Buster Comic? *...From Andy Capp.*
Do you think you are overtaking the Beano and Dandy?
...Definitely.
Are you worried that Buster will lose its popularity to another comic?
...No chance!
Lastly, what gave you the idea for your "Imagine" feature?
...It came to me in a daydream.
LAURA ELPHINSTONE, HIGH BARNES, SUNDERLAND, TYNE & WEAR.

0–5
You are certainly not the bossy type! In fact, you probably go too far the other way and let people boss you around! But as long as you're having a good time, you couldn't care less who's in charge!

6–15
Average! You don't like people telling you what to do, and you often think you could do better! But generally you will go along with the majority and back down rather than have a big barney!

16–30
Phew! You think you know best about everything and always let everyone know it! You won't play games unless you can organise them and be captain, but you can't understand why the class don't ask you to join in more often! You will probably grow up to be a Sergeant Major or a Traffic Warden!
